BRAND IDENTITY GUIDE

FULL COLOR LOGO

The primary logo should be used for the majority of brand applications such as advertising, promotions, site signage, websites, social media and small format marketing material. This version should be used for internal communications as well as external.

The Willy Winmar logo is the visual signature of the company. It is extremely important to follow this brand identity guide.

All variants of logo must be used on applications where the logo will be greater than or equal to 2" wide.

BRAND IDENTITY GUIDE

SECONDARY ELEMENTS

Willy Winmar's modern and concise branding is designed to reflect this through the use of clean edges and colors.

A combination of soft calming colors refined by strong deeper hues offer both feelings of trust and expertise. Layout and composition of Willy Winmar's branding should always maintain clean edges, lines and defined color blocking for modern and concise messaging. Color compositions should be organized in a way that flow and lead the reader to key points allowing them to be at ease. Color blocks, lines and typography used as supporting elements complement the clean, fluid lines of the Willy Winmar logo and refines the brand.
